MARKET WATCH

Fall finds

PRODUCED BY **Andrea Lillo**

High Point Market is again upon us. Here we highlight a few of the thousands of introductions debuting at market this month (including **Olivia + Quinn's** Everlea swivel chair shown here, with contrasting suede belt and bow detail). Turn the page to see a few of our picks; visit the website for even more introductions.

Currey & Co.'s Lucullan Gold Chandelier uses oyster shells to create a sumptuous sculpture with their exterior surfaces painted in a contemporary gold leaf finish.

Arteriors' Melt chandelier is defined by a series of clear glass drops, which appear to be in the act of melting. Multiple pieces can be combined for dramatic displays.

Alden Home's Chantal Brass Mirror (33"W x 46"H) features a delicately textured arch at the mirror's top and a light brass finish with beveled glass.

Copeland Furniture's Butterfly dining room furniture blends modern aesthetics with natural inspiration. Crafted in solid American black walnut hardwood with natural finish or solid oak in a range of finishes.

Eliko Rugs by David Ariel will unveil its first-ever licensed collection—developed with interior designer Anne-Marie Barton—at HP market. Handwoven in India, the collection has more than 27 luxe area rugs.

Porter Designs' Sinai Sideboard has an acid etched pattern that resembles natural geological formations on the four front push-to-open panels.
