## New showroom building opens

High Point Market attendees looking for new resources have another building to explore this week, one that aims to have a community-like atmosphere with plenty of natural light and new-to-market brands, all within a five-minute walk from IHFC. **See story, page 2.**

# What's new this fall

BY LAUREN ROSES

**Odette's** Flavia ottoman features a slightly tapered design and wooden ball feet. 100 N. Centennial

**Classic Home's** Aerie lounge chair is dressed in bouclé with exposed wooden legs. SP 2400

**Alden Home's** Harrington spot table is made of hand-hammered aluminum in a burnished brass finish with a Kona plinth base. IHFC IH308

**Currey & Company's** Fiore bar cart boasts floral motifs with ball-shaped feet, a marble shelf and a polished brass finish. IHFC M110
