Visit Us at IH-310

Alden Home, formerly Alden Parkes, announces its return to InterHall for the upcoming Spring 2024 High Point Market. Alden Home will showcase an array of new collections in accent, dining, and bedroom pieces not previously shown during the 2023 Fall Market.

Each new collection reflects the natural beauty of wood, accentuated by luxurious finishes that captivate both sight and touch. Drawing inspiration from nature, Alden Home is found at the intersection of beautiful materials and exquisite finishes, celebrating the inherent beauty and artistry found in nature.

Complimenting the new case goods, Alden Home will proudly present its new line of 'Made in the USA' upholstery offerings, meticulously crafted and manufactured in its new factory located in High Point, NC.

Renowned for its timeless, personalized, and often unexpected furniture designs, Alden Home welcomes you to its showroom in InterHall IH-310. We extend a warm invitation to see the world through the Alden lens. We are confident that you'll find it worthy of your most keen scrutiny.
